

Privacy Notice For Shareholders and Directors

Isuzu Motors International Operations (Thailand) Company Limited (referred to as “the Company”) is committed to protect personal data of shareholders and directors (hereinafter referred to as “you”) pursuant to Personal Data Protection Act B.E. 2562 (“PDPA”)

In this privacy notice, the Company is a data controller who collects uses or discloses your personal data under PDPA. To comply with PDPA, a data controller must inform a data subject of the purpose of the collection of personal data based on the lawful basis; retention period; the categories of persons or entities to whom the collected personal data may be disclosed; and rights of data subject, we, therefore, publish this privacy notice for shareholders and directors under section 23 of PDPA.

The Company may update this privacy notice from time to time as appropriate. In the event this privacy notice is amended, the Company will announce an updated privacy notice on this website. This privacy notice will be effective immediately on the date of announcement.

1. What Personal Data The Company Collect

Personal data means any information relating to a natural person, which enables the identification of such natural person, whether directly or indirectly, but not including the information of the deceased persons in particular. The Company may collect many types of personal data depending on the purpose of processing such data which include personal data as follows.

1.1 Personal data of shareholder including his/her attorney, for example, name, surname, address, telephone number, email, contact information, occupation, date of birth, tax ID, identification number, passport number, bank account, number of shares, shareholder’s registration, files or copies of document that verify your identity, paying and receiving dividend, including personal data that relating to your legal transaction or judicial act as a shareholder.

1.2 Personal data of director relating to the selection process, for example, first name, last name, gender, ID number, passport number, photo, date of birth, nationality, place of birth, height.

1.3 Personal data of appointed director, for example, compensation, marital status, information about your spouse or companion, children, parents, siblings, blood groups, bank account number, email, educational background, occupation, work history, previous directorship or position in other companies or other

businesses, attendance at meetings of the board of directors or sub-committee or shareholders, remuneration, securities holding information, securities company name, director performance, terms of director, director registration, and other information as required by laws or good corporate governance principles.

1.4 Information about your usage and access to the Company's computers, information systems, website systems, applications, network systems, electronic devices, email systems, etc. to comply with the Company's information technology policies and relevant laws.

1.5 Information relating to your participation in any of the Company's activities such as attending training, seminar, or other events.

1.6 When you visit the Company's premises in the areas that the Company installs CCTV, the Company collects, monitors, and processes your images and video recorded by CCTV (the Company does not record the audio) in such areas and this information can be used to identify you. However, the Company will display signage to notice you about the areas where CCTV is in operation.

1.7 Sensitive Data, for example, health information, biometric information, religious, racial, and ethnic.

2. Why The Company Process Your Personal Data

2.1 The Company will collect use and disclose your personal data under following the legal basis.

(1) It is necessary for the performance of a contract to which you is a party or in order to take steps at the request of you prior to entering into a contract. For example, to perform duties or obligations pursuant to the contract between you and the Company.

(2) It is necessary for compliance with a law to which the data controller is subjected. For example, laws relating to increase and decrease capital, to restructure, to change any forms for company, to hold a shareholder meeting, to nominate and appoint of directors, to hold a board meeting, management relating to rights and duties of directors and shareholders, to pay dividend, to do financial and accounting report, to make audit, to prepare legal documents, to deliver documents, and other duties as a limited company.

(3) It is necessary for legitimate interests of the data controller or any other persons or juristic persons other than data controller. For example, company management, image or motion picture, audio recording of meeting, history of meeting attendance, minute of the meeting, security, organizing activities, to communicate or contact for the benefit of shareholders and directors.

(4) It is necessary for preventing or suppressing a danger to a person's life, body, and health, for example, to prevent epidemic, to provide first aid, to provide medical treatment, or to make contact in case of emergency.

(5) It is necessary for the establishment, compliance, exercise or defense of legal claims.

(6) It is required by law to obtain your explicit consent under PDPA. For example, to use your ID card to identification which having religious or blood type, food allergies or any health information.

2.2 In case, it is necessary for the Company to collect, use, disclose your personal data in order to perform the contract or comply with law, but you do not give such personal data to the Company. As a result, the Company may not be able to perform the contract or follow your request or the Company may violate the laws or have other negative impacts.

3. Changes in the Purpose of Processing Your Personal Data

The Company will process your personal data within the purpose stated in this privacy notice. If the Company is necessary to process your personal data for the purposes other stated in this privacy notice, the Company will immediately notify you.

4. How The Company Collect Your Personal Data

The Company will collect your personal data directly from you when you contact the Company; from the government agencies or regulators; or personal data that are in public domain.

The Company will use cookies to collect your personal data when you access to the Company's website. (Please see Cookies Policy of such website you access)

5. Disclosure of Your Personal Data

In case of necessity and achieving the purpose of collecting, use, and disclose your personal data according to this privacy notice, the Company may disclose your personal data to the following natural persons and juristic person, for example,

- (1) The Company's affiliates as listed in the annex
- (2) Service providers, contractors, any relating agents, or relating contract parties.
- (3) Government agencies or entities under other laws

6. Transferring Personal Data Overseas

In case of necessity, the Company may transfer your personal data to the Company's affiliates which are located in foreign countries as listed in the annex

In order to protect your personal data which is transferred to overseas, the Company has put in place a personal data protection policy regarding the sending or transferring of personal data to another data controller or data processor who is in a foreign country and is in the same affiliated business

7. Security Measures

The Company has appropriate security measure to protect your personal data from loss, unauthorized access and use, and unauthorized disclose, change, or destruction.

The Company will have access control only for employees, contractors, representatives, third parties who need to know and perform their duty. If there is any third party processing of your personal data, the Company will control such third party to process your personal data within the Company's instruction appropriately.

8. Retention Period

The Company will retain your personal data for the period necessary to meet the objection under this privacy notice. The retention period will depend on the necessity of performance of contracts between us, the necessity of compliance with a legal obligation, or prescriptive period for establishment, compliance, exercise or defense of legal claims.

The Company will delete or destroy your personal data when the retention period expires or when it becomes irrelevant or unnecessary for the purpose of collecting that personal data.

9. Your Rights as a Data Subject

9.1 You have the rights as a Data Subject under PDPA as follows:

- (1) Withdraw the consent you have given to us;
- (2) Request to view and copy your personal data or disclose the source where the Company obtain your personal data;
- (3) Send or transfer personal data that is in an electronic form as required by personal data protection laws to other data controllers;
- (4) Oppose the collection, use, or disclosure of personal information about you;

- (5) Delete or destroy or make your personal data non-personally identifiable (anonymous) information;
- (6) Suspend the use of your personal data;
- (7) Correct your personal information to be current, complete, and not cause misunderstanding; and
- (8) Complain to the Personal Data Protection Committee in the event that the Company, the Company's data processors, the Company's employees, or the Company's contractors violate or do not comply with personal data protection laws.

9.2 You can exercise the rights under this section 10 by using the Data Subject Request Form, Consent Withdrawal Form which shows on the Company's website through the contact information in section 10 or you can contact the Company directly via such contact information You will be able to exercise your rights when the law is enforced.
